- 17mm Ball to AMPS Adapters (x2)
- 22mm Ball to AMPS Adapters
- 20mm Ball to Metal AMPS Adapters
- Weighted Base with Allen Key
- Hardware Pack (x3)
 - screws (x12) and nuts (x12)

Important: Clean the mounting surface before installation. Make sure it is free of dirt, dust, and grease.

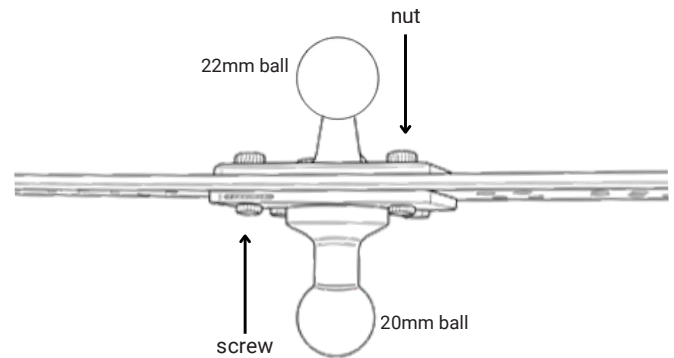

Install the Pole

Insert the pole into the base, then use the included Allen key to tighten the set screw clockwise until the pole is securely fastened in place.

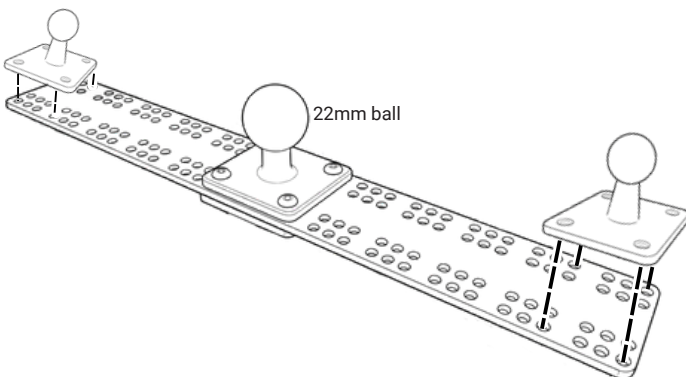

Assemble the Mounting Plate

Align the metal AMPS adapter and 22mm ball adapter at the center of the mounting plate. Insert the screws through the metal AMPS adapter and tighten the nuts to secure the assembly.

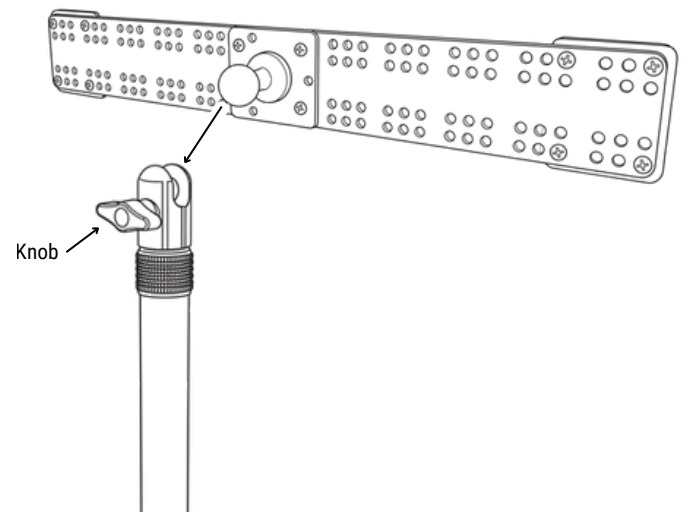

Assemble the AMPS Adapters

Align the two 17mm AMPS adapters on each end of the mounting plate and secure them using the included hardware.

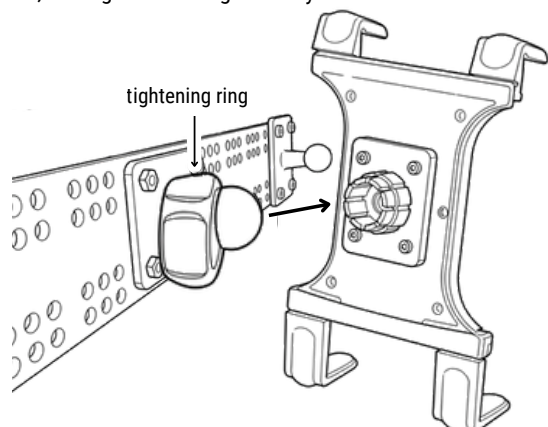

Attach the Mounting Plate to the Pole

Loosen the knob at the top of the pole, insert the 20mm metal ball, then retighten the knob to secure it in place.

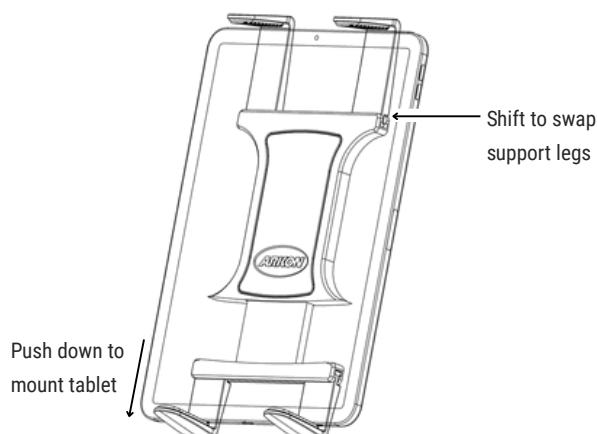

Attach the Tablet Holder

Align the AMPS adapter to the tablet holder using the included screws. Place the 22mm tightening ring over the ball, insert the ball into the holder socket, and tighten the ring securely.

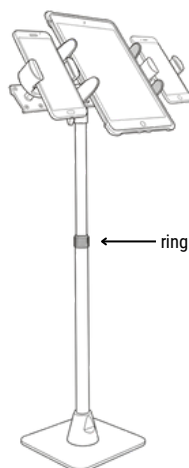

Install Your Tablet

Install the appropriate support legs, expand the spring-loaded holder, then place the tablet into the holder and gently release to secure it in place.

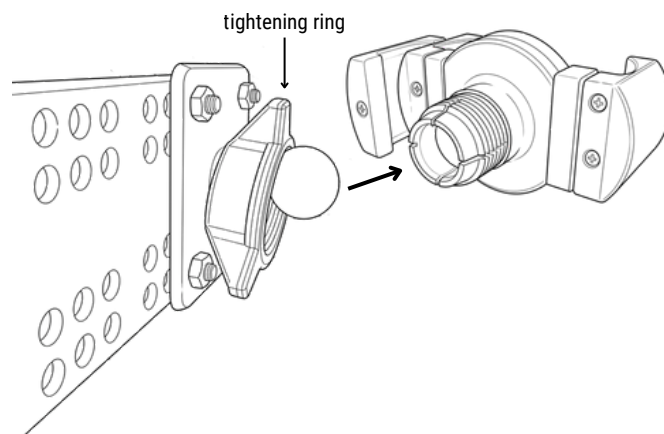

Adjust the Height

Rotate the adjustment ring on the pole to raise or lower the height as needed.

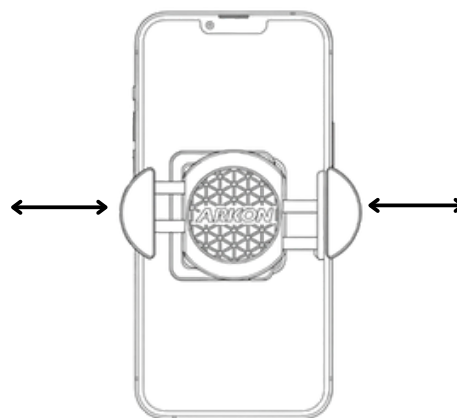

Attach the Phone Holders

Place the 17mm tightening ring over the ball, insert the ball into the holder socket, and tighten the ring to secure it in place. Repeat for the opposite side.

Install Your Phones

Insert your device into the holder and expand the opposite arm to secure it. To remove the device, expand one arm and lift it out.

WARNING
CHOKING HAZARD - Keep out of reach from children under 8 yrs. as they can choke or suffocate on parts included with this system
